

## Appendix 4

We have discussed our 'ready, respectful and safe' rules with all classes and have devised a summary of what these rules may look like in practice.

<b>Ready</b>	<b>Respectful</b>	<b>Safe</b>
<p><b><i>We are ready to learn.</i></b></p> <p>What does this look like?</p> <p>We arrive at school on time.            We have the correct uniform and PE kit.            We have our equipment ready.            We show that we are listening.            We start our work straight away.            We focus on our work and try our best.            We manage any distractions.            We are ready in the line.</p>	<p><b><i>We are respectful to each other and school property.</i></b></p> <p>What does this look like?</p> <p>We are kind and helpful.            We use good manners.            We share and take turns.            We follow instructions.            We listen when others are speaking and wait for our turn to speak.            We look after the property of our friends and the school.            We respect that people have different ideas, beliefs and backgrounds.</p>	<p><b><i>We keep ourselves safe in and out of school and online.</i></b></p> <p>What does this look like?</p> <p>We tell a trusted grown up if we are worried about anything.            We stay safe online.            We walk when moving around school.            We follow instructions.            We use equipment safely.            We use our loud voices outside.            We keep our classrooms and school tidy.            We keep hands, feet and unkind words to ourselves.            We use the playground zones.            We make safe choices in our school and in the wider community.</p>
