E - Safety

What is it? What do I need to know and do?

Monday, 22nd April, 2013

Aims -

- To explain what is meant by 'E - Safety' and to explore why it is so important.
- To look at the benefits of the internet and 'e - access'.
- To show you what the risks are.
- To show you what you can do, where to ask for/get help/advice.
- To provide you with the opportunity to ask questions.
