Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

GEORGE FENTHAM ENDOWED SCHOOL Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • A broader experience of a range of sports and activities offered to all pupils, including the least active. • Increased pupil participation in extra-curricular activities and sports clubs. • Increased participation in competitive sport. • An inclusive curriculum which inspires and engages all pupils. • Children have developed positive attitudes to health and well-being. • Positive impact on whole school improvement, raising the profile of PE and sport across the school. • Increased confidence, knowledge and skills of all staff in teaching PE and sport. • Enhanced quality of teaching and learning. • Improved standards in Physical Education and school sport. • At the end of EYFS the majority of children achieved the age expected standards or exceeded expected levels in Physical Development. 	<ul style="list-style-type: none"> • To employ specialist teachers or sports coaches to lead extra-curricular activities- increase the selection of clubs available during 2017/18. • To fund a specialist teacher or sports coach to work alongside teachers in lessons to further increase their subject knowledge and confidence in teaching PE- focusing on Years 3&4 and continuing the development of the REAL PE scheme of work in EYFS and KS1. • To continue to purchase equipment and teaching resources to support high quality provision throughout the school- focusing on gross and fine motor skills in EYFS and lunchtime provision. • To introduce new sports and encourage more pupils to take up sport at school and outside of school. • Support and involve the least active pupils by providing a sports coach at lunchtime. • To use the results of the summer term School Self Evaluation to broaden the range of sports and activities offered to all pupils.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	93%

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	83%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	83%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

*Schools may wish to provide this information in April, just before the publication deadline.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2017/18		Total fund allocated: £17,690		Date Updated: September 2018	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 13%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
Employ a Sports Coach (Let's be Active) for two lunchtime sessions per week to support a range of multi-skills activities on the large playground and enable more children to participate in sporting based activities and to continue to raise the profile of sport across the school.	Children to participate in a variety of physical activities, increasing their level of exposure to different skills and sports and keeping their levels of activity high throughout the lunchtime session.	£2227	A range of age appropriate organised activities, resulting in increased participation and enjoyment.	Feedback from School Council and Sports Coach, to extend activities.
