Dear Year 2 Parents/Carers and children,

We hope that, despite these difficult times, you managed to have a lovely Easter and have eaten lots of chocolate?

Now, in Year 2, in the Summer Term our topic would have been "Oh, I do like to be beside the seaside". Unfortunately, as we can't actually go to the seaside at the moment we will be looking to post some fun activities, with lots of links to videos, for you to do that will help you learn all about the UK coastal areas & different seaside places to visit (Geography), as well as learning about Materials & recycling (Science), some lovely projects on Natural Art (Art/D & T) and lots of tasks based on 'The Lighthouse Keeper's Lunch & other stories'.

Alongside this we'll post some work to support your mathematical knowledge and understanding, some Computing tasks using Purple Mash and we'll even look at the works of William Shakespeare. All this without ever leaving your house!!

It is really tricky not being able to talk to you, or help and support you in the way that we can when we are in class, but you can use the discussion forum on our class page to ask me, and your classmates, questions or for advice.

We are missing seeing your funny faces every day and both Mrs Bass and Mr Stevens are getting fed up having to look at ours every day. Please look after yourselves, try not to worry about things (especially whether you're doing enough work or not - try to do some every day, especially READING and EXERCISE, but also do other things, such as baking or playing card/board games etc) and just enjoy this unexpected time at home with your family.

As we enter the next phase of this unprecedented journey, please just remember that whatever you are doing is enough. You are ensuring that your child is safe, cared for and supported through this difficult period.

Please look after yourselves, we'll keep in touch via our class page on the website and, hopefully, we'll get to see some of you once we begin to be able to return to normal life.

All the best,

Mr Bass and Mrs Stevens.
