

George Fentham Endowed School
Hampton in Arden

Monday, 20th April, 2020

Dear Year 1 Parents/Carers and children,

How are you all? We do hope that you are all well and healthy and have had a special Easter, despite the challenging situation we are all in.

Mrs Barratt and I miss you so much but we hope that you have had some fun whilst being away from school.

I, along with my 3 boys, have been attempting Joe Wicks' PE workout each morning! I have realised I am a lot more unfit than I thought I was but I will try and continue to complete each day until we can return to school.

Mrs Barratt has been busy baking with her little boy and has created some delicious cakes. In particular, a chocolate one and you know how much Mrs Barratt and I love chocolate!

The summer term is now upon us and if we were in school we would have been learning lots of new and exciting things. Therefore, you will be able to access different activities to have a go at, each week, on our website.

In History we will be focusing on old and new toys, and in English we will be learning all about Traditional stories. There will be lots of tasks and fun activities in these areas, and also in other subjects such as Computing, Art and Science. Art and Science will be all about growing plants and looking at beautiful flowers. We will be learning all about Vincent Van Gogh and the beautiful flowers he painted. As well as all of these subjects, you will also be able to have a go at maths activities to help secure and extend your knowledge in key areas of mathematical learning.

Again, Mrs Barratt and I miss you so much. You might be a little sad that you can't see your friends, or a little worried about what you hear in the news, but we want you to know how proud we are of you all. We think you are all pretty amazing. We will get through this together. Please know, and imagine, that Mrs Barratt and I are holding your hands and squeezing them tightly, telling you everything will be ok. Just remember, we are living through History, how will you remember it?

Stay safe and above all, be happy.
Mrs Salmon and Mrs Barratt
