Staffing Updates

We would like to say a huge thank you and good luck to Mrs Fatania who has been working in the school office this year. Mrs Fatania will be leaving us at the end of this term and she will be missed very much by us all.

GEORGE FENTHAM ENDOWED SCHOOL NEWSLETTER 2 SUMMER 2019

In September we will be welcoming Mrs Justice to George Fentham Endowed School. Mrs Justice will be working in the school office with Mrs Hansford and is our new Finance Officer.

This term we have welcomed Mrs Ladwa to George Fentham as she joins our team of Lunchtime Supervisors.

A Message from the PTFA

A great big THANK YOU to everyone who has supported the PTFA this year: either by helping out, joining the 100 Club or taking part in our events. With your help we have raised over £5500!!! We have: funded 3 interactive whiteboard for 'Project Ict Innovation', supplied the Christmas Tree, donated a small Christmas gift for each child and bought Year 6 their Leavers' Hoodies.

We are really pleased and proud of the fantastic effort this year. However, we are such a small team and really need more members to help next year. Just imagine what we could do with a few extra volunteers!

This term:

- Thank you to all the fantastic helpers and everyone who came and supported us at Hampton Festival. Whether you had a go at Hook-a-Duck or bought tickets for the inaugural Great Hampton Duck Race - we raised a massive £650. The Duck Race was really well attended and was such a lovely afternoon that I think it will become a firm fixture in the Village Calendar.

- We hope you have enjoyed being 'cool after school' on Freeze Pop Fridays - we raised £97.
- Once again the children had a fabulous time at the summer school disco and we made £253.
- We've collected a fantastic £212 during our Coin Chaos week! Congratulations to Year 1 who were the winning class. We hope you enjoyed your afternoon of extra special Golden Time.

If you are ordering any new name labels for new uniforms over the summer please consider buying from www.mynametags.com. The colour stickers are fantastic and stick on clothes, shoes and equipment. Quote our **School ID: 26751** and we will receive 20% of your order.

Another easy way you can help our fund raising is by doing your online shopping through www.easyfunding.org.uk. Just go to the website and search for George Fentham Endowed PTFA and you can raise money every time you shop online.

Don't forget to check Classlist for the winners each month. Please look out for Shirley Chung or Aileen Spain at the school gate to collect your winnings. If we

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019**

don't catch up with you we will post or leave your winnings at the office for you to collect. We will be contacting members in the autumn about renewing memberships for next year.

100 Club Draws:

May winners:

1st 91

2nd 56

3rd 26

June winners

1st 87

2nd 89

3rd 3

Don't forget to check out www.classlist.com to keep up with the latest news and events.

The PTFA's success is dependent on your continued support and engagement. We particularly need support from parents in Foundation and KS1 for the PTFA to be sustainable going forward. Most of our current members and helpers have children further up the school so they will be leaving in the next year or two. We would like to leave behind a thriving PTFA for future years to come. If you would like to get more involved, any help big or small, regular or occasional is appreciated, please contact us: gfpfta@gmail.com or via www.classlist.com. Or just turn up at our next meeting. We generally meet on the first Monday of the month. We are a small and very friendly group and we look forward to meeting some new faces. Thank you!

Date of the next meeting: 8:00pm - White Lion - Monday 9th September

<https://www.facebook.com/PTFAGeorgeFentham/>

A Huge Thank You to our PTFA!

On behalf of the staff, children and governors at George Fentham Endowed School, I would like to thank our PTFA Committee members. We are extremely lucky to have a small core group who have worked incredibly hard to support school this year. We very much hope that new members will join in the next academic year so that the PTFA at George Fentham can continue in the future.

School and Sports Events

Nursery:

Nursery Farm Trip

Nursery children visited Umberslade Farm in June and, despite some rain, had a great day. We saw all the familiar farm animals and many baby animals too. We were able to feed many of them. Highlights of the day were riding in the tractor trailer, seeing some impressive shire horses and meeting the farm's enormous pigs (called J-Lo and Beyonce) who surprised us by oinking very loudly!

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019**

Animals In Hands

As part of our 'Amazing Animals' topic, Nursery children had a visit from Mo from 'Animals in Hands' with his interesting collection of animals. Many children have pets at home and we discussed how to care for them. We met a lovely friendly rabbit, guinea pig, hen, rat, gecko and a snake. Although some of us enjoyed touching the snake and even holding it, we decided the snake wouldn't make a very good pet as it was difficult to look after.

Reception:

The Sea Assembly Friday 21st June, 2019

The children worked really hard to put together a fantastic assembly for the school and their families to watch. All of the children took a role in the assembly and really showed off their knowledge of the sea and their creative skills. They used their BLP collaborative skills to perform in groups on the stage. The assembly consisted of factual information about sea creatures, songs, dancing, poems, story-telling and role play. The teachers were so proud of the confidence the children showed when performing to a big audience. Well done Reception!

Animal Day Monday 1st July 2019

We launched our animal topic with a visit from 'Animals in Hands' and dressed up in animal themed clothes. The children had a fantastic 'hands on' experience of being close to animals they would not normally see. Mo from 'Animals in Hands' brought his animal friends to see us - a snake, a moss frog, stick insects, a chameleon, a millipede and a tarantula. For those of us that felt a little nervous around those animals he let us hold a beautiful rabbit. It was a fabulous day and a great way to start our final topic in Reception!

Year 1:

Herbert Museum

On Friday the 12th July, Year 1 went to the Herbert Art Gallery and Museum in Coventry. The day began with a talk from an expert about toys, in particular Victorian toys. The session was very hands on as the children got the opportunity to dress up as Victorian children, as well as Queen Victoria and a servant! They were shown a range of Victorian artefacts, as well as old toys, such as a mangle, a dolly and a bed pan. They compared many of them with objects and toys that we have today. The class got to play with a cup and ball, a hoop and stick, a spinning top and as a treat they took part in a race on a hobby horse!

After the session the children split into groups and got the chance to explore the rest of the museum. They learnt about toys from different generations and saw what our parents and grandparents might have played with. A fun and informative day had by all!

Pizza day

This half term was extra exciting as Year 1 got to make their very own pizzas. We started off by trying different toppings and breads to see which would be the most suitable for our own pizza. We were really proud of the children as so many embraced the taste testing and tried lots of foods they'd never had before!

Once we had created our design for our 'Perfect Pizza' we spent the morning choosing the appropriate toppings and being very creative. The pizzas were then cooked and taken home at the end of the day! The smell of the pizzas cooking was delicious and the children couldn't wait to eat them!

GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019

Year 2:

Class 2 Assembly

Parents, children and staff thoroughly enjoyed Class 2's 'A Journey into the Past' assembly. With a focus on the children's learning journey in English, History and Design & Technology we were treated to a boxing match to determine the greatest Queen (Victoria or Elizabeth I), vivid descriptions of the plague in 1665, the Great Fire of London 1666 and learnt all about Bob, the man on the moon. A huge well done to all involved!

INSPIRE Workshop

The children, and parents, of Class 2 had a wonderful time at their "Message in a Bottle" INSPIRE Workshop. The main focus was on the transition from KS1 to KS2 and the children, with plenty of support from their helpers, produced some beautifully designed bottles and wrote some wonderful scrolls about their feelings on moving to Class 3. We also had an Online Safety focus to our workshop, with children showing their parents/guests the ICT Suite and explaining all about their Online Safety learning whilst finding and printing off images to use on their bottles. These were then passed on to Mrs Briggs, who will then go through them on their first day back in September. A huge thank you to everyone who attended and helped out - a great opportunity for children and parents to collaborate in school.

Thinktank Trip

The children in Class 2 enjoyed a fantastic day at the Thinktank in Birmingham. With a Science focus on the topics of 'Amazing Animals' and 'Materials/Recycling', the children had the opportunity to explore the whole museum, whilst then enjoying a workshop all about animals. With great knowledge and understanding from their learning in school, combined with some fabulous questioning to find out more, the children demonstrated what good scientists they are. A great end to the school year for Class 2.

Tri-Golf Festival

Following their Tri-Golf coaching sessions in Summer 1, the children in Year 2 attended a tournament at Tudor Grange Pitch & Putt in Solihull this term. Competing against other local schools the children had great fun using the skills they had learnt to complete in a variety of challenges. They did brilliantly; had great fun and many of them are now keen to learn more!

KS1 Football Tournament

On the afternoon of Thursday 11th July a mixed team of boys & girls from Years 1 & 2 attended a Football Tournament at the Old Sihilians in Solihull. The event included a rotating four aside tournament against other Solihull Primary Schools, when the teams were not playing they had footballs skills training with PE Leaders from Lode Heath School. The emphasis was on fair play, respect and good sportsmanship whilst representing the school and the children played very well. A great time was had by all- well done our KS1 Football Team!!

Year 3:

What an exciting Summer-term Class 3 have had! Over the course of the first half-term, all the children were extremely busy writing and developing the play-script for their production of 'Year 3's Learning Journey', which was subsequently performed to parents and grandparents. The children delivered a fantastically polished performance and it was evident to all exactly how much hard work had gone into perfecting their scripts and props.

Children also had opportunity to show off their excellent knowledge of the Stone-Age, a topic that they had been eagerly learning about throughout the Summer-term, when they visited Compton Verney. Despite persistent rain, the children had a fantastic time building Palaeolithic

GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019

shelters, Neolithic walls (using a wattle and daub technique), making Stone-Age bread, cave painting and making fire. All of the children had a fantastic day. Finally, the class visited Reverend Stuart at the village church, as part of their learning in RE. Reverend Stuart kindly talked to the children about different kinds of pilgrimages, getting children to think about their pilgrimage in life. The class also found out lots of interesting information about the history of the church.

Year 4:

Y4 Assembly

Year 4's assembly, which showcased all their learning so far this year, was a riot of song, music and dancing. The children threw themselves into their performance and their passion and enthusiasm was contagious. The children thoroughly enjoyed themselves. They absolutely deserved all the praise and wonderful comments that they were showered with. The class have made Mrs Brooker, Mrs Chamberlain, Mrs Taylor and Mrs Kelly very proud.

Cadbury World Visit

Year 4 went on an amazing trip to Cadbury's world this term. The trip linked together the work the class has been doing in D&T, English and Geography. The children behaved beautifully, asked lots of interesting (and difficult!) questions during their taught session and, of course, enjoyed learning about the history and manufacture of chocolate. Well done Year 4!

Year 4 Trip to Church

Years 4 were fortunate to go on a very interesting and enjoyable trip to church on Friday 11th July. The children have been learning about the symbolism of water in RE this half term, and Reverend Stuart showed them the baptismal font, giving the class ample opportunity to ask all sorts of questions. They then had a tour of the nave and saw a variety of other ways in which water is used symbolically in church and as a metaphor for our journey through life. Reverend Stuart and our parent volunteers generously gave their time to enable this visit and the class is very grateful to them. It was a fascinating and illuminating visit; there is so much to see in our local church!

Years 4 Chance to Shine Cricket Festivals

On 3rd July Year 4 went to the Cricket Festival at Berkswell. We took two well-prepared teams who had both thoroughly enjoyed their cricket lessons led by Sam, our coach. Mrs Kelly and Mrs Busby-Tomkins bowled superbly and both Mrs Chamberlain and Mrs Panesar had their work cut out keeping score, as the batters did an exemplary job, with runs coming fast and furious from both the A and the B teams. The B team were the outright winners of their group, with a 100% unbeaten record resulting from some energetic fielding and great collaborative work. The A team batting was a sight to behold and, eventually, it was all down to the final match... After a closely fought game, we were narrowly beaten into second place by just two runs. All the children (and our brilliant parent helpers) should feel very proud of themselves. Year 4 represented the school perfectly and every single player had improved his or her game as the festival came to its close.

Strings Assembly

On Wednesday 10th July year 4's Strings Explosion learning journey came to a fitting culmination, with a fantastic musical assembly / concert. The children, along with some soloists from years 5 and 6, played with confidence and joyful verve and were sad that their musical Wednesday afternoons had come to an end. A number of the class have elected to continue

GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019

learning an instrument, having had such a fun time this year. We are extremely grateful to the Fentham Trust for supporting us this year.

Year 5:

Beowulf Concert

Class 5 were very lucky to have been specifically invited back to Warwick Arts Centre for another performance. This time, the piece of music was a specially commissioned work based on the epic tale of Beowulf, which blended beautifully with our English topic of Beowulf this term! The performance itself included two international musicians: a singer, Elin Manahan Thomas who performed at the wedding of Meghan Markle and Prince Harry, and a harpist who is the personal harpist of Prince Charles! The highlight for the children was our narrator, Oliver Phelps, who was one of the Weasley twins in the Harry Potter movies. Mrs Kermode and Mrs Bradburn were incredibly proud of the way that the children embraced the music in the performance and their behaviour was, at all times, exemplary. Very well done to all children who took part.

Year 5 Chance to Shine Cricket Festival & Final

Once again, Class 5 had the opportunity to take part in the Chance to Shine Cricket Festival at Berkswell Cricket Club. During their coaching sessions in the run up to the Festival, the children enjoyed developing their batting, bowling and fielding skills. Having the opportunity to learn from specialist cricket coaches has been a huge privilege and one from which Year 5 has benefitted immensely. The children were well-prepared for the event and very keen to do well. We were absolutely thrilled with the contributions of all three teams competing, with some very strong players in each team. All children played with passion and energy, showing sportsmanship at all times despite the hot weather!

We are very proud that our mixed A Cricket Team went on to compete in the Warwickshire Cricket Festival area finals at Edgbaston Cricket Ground. The children were told that they were one of 23 teams to have gone through from an initial 140 competing (a huge achievement!) and they took the responsibility of representing their other classmates very seriously. As the tournament continued, the entire team grew in confidence and craftsmanship with some excellent batting and some super catches coming from our fielders on all sides of the pitch. Huge congratulations to all the children for their excellent efforts and sporting attitude - Mrs Kermode, Mrs Bradburn and Mrs Taylor are very proud of them all!

Year 6:

Condover Hall Residential

Year 6 enjoyed a busy week at Condover Hall from 24th - 28th July. We had mixed weather - one very wet day, but also lots of sunshine. The children enthusiastically took part in a wide range of activities including kayaking and raft building, climbing, archery, tunnelling and aerial trek. We were very proud of them all, showing great perseverance and determination! Thank you to Mrs Kelly and Mrs Taylor for accompanying us and the Fentham Trust for funding the cost of the coach.

Diocesan Leavers' Service

On Monday 8th July, children from Year 6 attended the Diocesan Leavers' Service at St. Martin's in the Bullring to mark the end of their time at primary school. The theme for this years' service was "The Lord's Prayer." Year 6 children made posters, wrote a prayer and also learnt to sign The Lord's Prayer using BSL! We also received a candle to pass onto Year 5 as part of our own Leavers' Service. As always, the children represented George Fentham beautifully!

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019**

Year 6 Leavers' Assembly

Year 6 presented their Leavers' Assembly to children, staff and parents/carers on Wednesday 17th July. We reflected on their time in Year 6, but with a musical twist - this year themed around "Mama Mia"! As always, this included a rollercoaster of emotions. It goes without saying that we will miss Year 6 enormously, but wish them all every success as they move on to their new secondary schools.

George Fentham Leavers' Service

On the last day of term, Rev. Stuart welcomed us to church to celebrate Year 6's time at George Fentham, including reflections on all their favourite memories of their time at school. This is a lovely way to draw their primary school days to a close and is always a very emotional occasion! The children were presented with pens to remember George Fentham Endowed School. Year 6 also presented a candle to Year 5, symbolically passing on the responsibilities of Year 6 to them!

Football Club

So, another year of football is over. Everyone that has played, or supported, throughout this year should be incredibly proud. We have developed our skills and become a more effective team as the year has gone on and this has been reflected in our performances. We have had some great wins, some close fought, drawn matches and just a few losses, but in every match I have seen fair play, sportsmanship, desire, resilience and progress. Well done all!

A huge thank you to Mr Bass for all of his work with our team over this academic year.

George Fentham's Got Talent

The final of George Fentham's Got Talent 2019 took place on Thursday 11th July where our six final acts performed in a special assembly for the whole school.

The results were as follows:

1st place - Sharpchord George and Samuel (Year 4)

2nd place - Libby and Freya (Year 6)

3rd place - Million Dream Girls - Amber, Autumn, Freya, Frankie, Abigail, Sophie, Dolly, Meja, Elsie and Amy (Year 1)

Runners up

The Number Crew - Jake, Lauren, Noah, Maisy, James, Cassidy, (Reception)

Time For A Rhyme - Tabby (Year 5) and Jacob (Year 6)

All our acts showed enthusiasm, emotion, humour, professionalism, and great talent, everyone who took part in the whole competition should be proud of themselves. The winners received a trophy and each finalist received a certificate and a small prize.

Sports Day

Sports Day - Thursday 20th June 2019

What a fantastic celebration of teamwork, perseverance, resilience and skills! It was wonderful to see all our children competing with pride and hear them cheer each other on so enthusiastically. Children in both Key Stages showed off some excellent skills when working both as a team and in individual races, it was a hard fought competition and one of the closest we have seen at George Fentham. Well done to everyone and thank you to all the parents who gave their support.

Reports and Open Evening

As always, it was a real pleasure to read the children's end of year reports and to see just how much progress they have made across the year. It was lovely to welcome so many parents and visitors to our Open Evening and for the children to share their work with you. A huge thank you to all of our families for your on-going support!

The BASE

The BASE will closed from Monday 22nd July and re-opens on Tuesday 2nd September 2019. If you have any queries about places please contact Mrs Tina Coley 01675 443913.

A Note from Hampton Little Free Library.

Since the launch in June 2017, both boxes have had a constant stream of books coming and going. Thank you to all parents, carers, grandparents and children for helping to ensure that our Little Free Library continues to stay well stocked, well-used and cared for! And remember, it will be open all summer, so pop by to pick up and drop off as usual!

"Everyone is a reader...some just haven't found their favorite book yet".

A Message from Solihull Music Service

To apply for Music Lessons next academic year.

The link below takes you to our application page, where parents can see what we offer and then they click on the parent link to register and apply.

<https://solihullmusicservice.com/lesson-application-form/>

REMINDER: Mobile Phones in School

May we remind you that mobile phones must not be used in school. The only exception to this is if parents use their phones to take photographs, ***of their own child, for their own personal use*** at the end of Class Assemblies or Performances. ***We request that these images are not published on any form of social media.*** This is in line with our school policies and procedures.

GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019

Please ensure that mobile phones are switched off and put away at all other times. Thank you for your support in this matter.

Medicines in School

Please be aware that a medicine permission form must be completed and discussed with a member of the office staff if your child requires any medicine during the school day or whilst on school site for extra activities e.g. clubs and discos. It is extremely important that all medicine has the prescription label clearly displayed on the medicine, stating your child's name, dose and frequency. If this information is displayed on packaging, we will need this packaging to be supplied. This arrangement will also apply for Calpol, therefore, if your child requires Calpol during the school day the bottle must have a label with the above details. Should you wish to discuss this in any further detail, please contact the school office.

Dietary Requirements / Food Allergies

Please note it is the responsibility of Parents or Carers to advise the school office, in writing, of any dietary requirements or food allergies for each individual child. Please note this is not required for food preferences but for medical conditions such as allergies or Religious Beliefs. This information will be stored on the child's record throughout school.

Invitations from the School Nurse Team at South Warwickshire NHS Foundation Trust

“Come along and meet the Solihull School Nurse team.”

We will be providing information, advice and support to help prepare your child for school.

For further questions please contact the School nursing team on 0121 770 1919/ 0121 726 6754 or email on swg-tr.schoolnurses@nhs.net

School Meals - Outstanding Debt

Parents of children in KS2

Please be aware from 1st September 2019 School meals will increase to £2.15 per day.

Please ensure that you check your account regularly and credit your account with sufficient funds to pay for your child's school lunches. If a debt exceeds one week's school lunches a hot meal cannot be provided until the debt is cleared and the account is in credit.

Thank you for your support in this matter.

Please contact the school office if you think your child may be eligible for free school meals.

REMINDER: Attendance and Requests for Leave of Absence

To support us to secure good attendance for all of our pupils and to address concerns regarding any child's poor school attendance and punctuality, we will be continuing to work with Central School Attendance and Welfare Service Ltd (CSAWS) in 2019/20. Each half term, attendance registers are rigorously scrutinised to identify any attendance issues. This includes children falling below 95% attendance, children who are below 90% attendance and therefore at risk of becoming persistent absentees, children with any unauthorised absence and any punctuality concerns.

Your child may be referred to a CSAWS Attendance and Welfare Officer if their attendance and punctuality is causing concern. They will then contact you by phone, letter or home visit to discuss the school's concerns and how attendance and punctuality can be improved.

Please note, Head Teachers are only allowed to grant leave of absence in very exceptional circumstances and where the application has been made two weeks in advance. This does not include family holidays. Should you require any further information, or wish to discuss a leave of absence request please contact the school office.

Medical, Dental & Optician Appointments

Following advice from CSAWS, we would like to ask for your support in organising medical, dental and optician appointments outside of the school day. Please note if there is no

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 2 SUMMER 2019**

alternative, you may be asked to show a copy of your appointment letter or card to the school office.

And finally.....

Goodbye and Good Luck Year 6!

We are sad to be saying goodbye to our amazing Year 6 children but are very proud of all that they have achieved personally and academically on their learning journey with us. We wish them continued success in the future and know that they will go on to achieve great things!

Thank you to

A huge thank you to all of our amazing George Fentham Endowed School staff. It has been a privilege to work with such a committed and professional group of people, who all continue to provide outstanding care, support and guidance to our children.

I would also like to thank our George Fentham Endowed School Governors who work so hard, often behind the scenes, to provide support and challenge to our school. Governors give up their time freely and bring expertise to the school in so many ways, helping us never to be complacent and to always strive for improvement.

On behalf of everyone at school I would also like to thank the Fentham Trust for the financial assistance it provides. This funding is critical and helps us to maintain the highest of standards.

And Finally...

A final thank you to all of our parents, families and friends who support the children in so many ways. We believe George Fentham School is a very special place to be and on behalf of us all, I wish you and your families an enjoyable summer holiday and look forward to welcoming the children back for the new 2019/20 academic school year on Tuesday 3rd September 2019.

**Mrs J Gaughan
Head Teacher**
