Class Assemblies 2023

We look forward to welcoming parents and carers to our class assemblies. Please see the dates below.

Year Group	Dates
Reception	Friday 14 th July
Year 1	Friday 19 th May
Year 2	Friday 9 th June
Year 3	Friday 30 th June
Year 4	Wednesday 12 th July pm Date Change
Year 5	Friday 26 th May
Year 6	Leavers' Assembly Friday 21 st July

Congratulations to Year 1 and Year 5 for presenting the first two class assemblies this half term. The children thoroughly enjoyed showcasing their learning and received lots of applause and positive comments from our audiences!!

Thursday 8th June 5pm: Relationships and Sex Education Meeting for Parents and Carers

Next half term, within school, we will be focusing upon our 'Changing Me' Jigsaw piece which covers the Sex Education part of our curriculum. This half term we have covered the 'Relationships' element.

As part of our working in partnership with parents and carers, we will be holding an information meeting on Thursday 8th June at 5pm. The meeting is particularly relevant for parents of children in years 4, 5 and 6 but all parents are very welcome to attend.

Please see the notification sent out on Parent pay to confirm your attendance. Should you require any further information regarding our Relationships and Sex Education curriculum please speak with your child's teacher, Mrs Bailey or Mrs Gaughan.

Mrs Bailey

Staffing Update

Office Update:

This term we have welcomed Miss Smith to our staff team. Miss Smith has taken over from Mrs Hansford in the school office. We are delighted that Mrs Hansford is currently working a day a week with us to provide training and a smooth handover.

Nursery Update:

After 17 years at George Fentham Endowed School we will be saying goodbye to Mrs Durkin at the end of the summer term. Mrs Durkin has been an outstanding Nursery teacher, welcoming new children to George Fentham right at the start of their learning journey. She has worked closely with families offering support and advice on a wide range of issues, ensuring that children settle quickly and enjoy all that Nursery has to offer. Needless to say, Mrs Durkin will be missed hugely by us all!

From September 2023, we are delighted to confirm that our new Nursery teacher will be Mrs Bromhall. Many of you will already know that Mrs Bromhall has been working in Reception this year. Mrs Bromhall is an extremely experienced class teacher and was part of the leadership and management team in her previous school. She is really excited about her new role and will be working in partnership with Mrs Durkin and the rest of the Early Years Team to prepare for September.

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

Promoting and Supporting Good Attendance

Congratulations to all of our children who have achieved 100% attendance this half term. The table below shows the percentage of children in each class who have attended school every day since our Easter break. We look forward to seeing if we can increase these percentages next half term.

Year Group	Percentage of children achieving 100% attendance for this half term
N	48%
R	47%
1	60%
2	60%
3	50%
4	44%
5	60%
6	48%

IMPORTANT INFORMATION: Reporting Absence and Leave of Absence Forms

Schools have a duty to account daily for all children registered at the school. Therefore, if your child is absent due to sickness or other unexpected circumstances, it is critical that you let us know by 8:30am on that day. This can be done via our phone line on 01675 442800 option 1, or through emailing the school office at office@george-fentham.solihull.sch.uk.

Please be aware, if we have not received a reason for your child's absence, we will work through your child's contact list to try to establish the reason for this absence. If after doing everything possible we are still unable to establish why your child is absent, we may escalate this to a safeguarding concern.

Parents / carers are asked to complete a Leave of Absence Form for every absence. Please note this includes planned absences or short notice absences due, for example, to medical appointments during the school day. Forms are available by contacting the school office.

Coronation Celebrations

We were delighted to celebrate the Coronation of King Charles III on Saturday 6th May with all of our children. In the weeks leading up, each class took a particular theme and produced some amazing work which is now displayed throughout our corridors. Nursery and Reception dressed up in a robe and crown and thought carefully about what they would do if they were the King or Queen for a day. We had some great ideas including:

- "I would be a mermaid."
- "I would help people in the earthquake."
- "I would make unicorns real again."

Year 1 children showcased their super art skills by designing their very own stain glass windows based on those in Westminster Abbey. Year 2 used their fantastic research skills to find out all about the orb and the sceptre, whilst Year 3 and 4 focused on investigating previous Kings and Queens and a royal family tree. Year 5 thought carefully about King Charles' commitment to a multicultural and inclusive society, whilst Year 6 found out all about The Prince's Trust. Visitors to school this half term have been incredibly impressed with the quality and standard of work displayed.

GEORGE FENTHAM ENDOWED SCHOOL NEWSLETTER 1 SUMMER 2023

On Friday 5th May, we started our day with a whole school Coronation Celebration Assembly. Throughout the morning children worked on a wide range of Coronation linked learning activities and just before lunch we held our very own GFES Coronation! We chose 2 children who had birthdays on or near the Coronation day to be our King and Queen. As a school, we dressed in red, white and blue and made our flags to wave. The Reception outdoor area became our "Buckingham Palace Balcony", we created a road down the middle of the playground (just like The Mall) and our outdoor classroom became "Westminster Abbey". After a short journey down "The Mall" to be crowned and a balcony appearance by our King and Queen, the rest of the school joined together to sing the National Anthem. Our King and Queen then led everyone in for a super picnic lunch. This was a truly memorable and enjoyable day and I would like to thank all of our staff and children for making this such a special occasion.

Class Events

Nursery

Chick Hatching:

Ten hen's eggs arrived in an incubator recently and Nursery and Reception children had a wonderful opportunity to watch them hatch into 10 healthy chicks. The children were really fascinated and spent ages observing them and carefully handling them as part of this term's work on lifecycles. The Nursery class was a destination for other classes in the school as soon as word got out about our fluffy visitors.

Playhouse Theatre:

We had a lovely opportunity to see live theatre in school when the Playhouse Theatre visited recently. They told a version of the Ugly Duckling story which was much enjoyed by the children. The children had the opportunity to get actively involved and to think about the meaning and how we should celebrate being different.

Mrs Durkin

Reception

Our theme 'Oh I do like to be beside the seaside' has been lots of fun. We used non-fiction books to learn about life under the sea. We have had important discussions about how we can be more responsible and take care of our beaches and animals, talking about recycling and finding out what we can do to protect our planet. Our role play area has been an ice-cream shop. The children have enjoyed creating fabulous sundaes and cones. We have had lots of opportunities to be creative. We have painted beaches, collaged sea creatures, made our own boats and tested them in the water tray. We learnt about the explorer Christopher Columbus and thought about places

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

we would like to explore. We also had the 'Get Pedalling' team in school to develop confidence when riding bikes, some children were whizzing round on the two-wheel pedal bikes! And we celebrated the King's Coronation, what a half-term!

We can't believe we are heading towards our last half term in Reception together!

Mrs Brown

Year 1

This half term seems to have flown by in Year 1. We have been so busy and the children have all been brilliant. They work so hard and are producing some fantastic pieces of work.

The Herbert Gallery and Museum:

In History, we have been learning about old and new toys and what our parents and grandparents might have played with when they were little. We are excited to enhance this learning with a trip to The Herbert Art Gallery and Museum on Friday 23rd June. We will be taking part in a workshop on the life and times of Victorians with a focus on Victorian toys and a workshop focusing on exploring sketching through paintings. (We are hoping to also say hello to Dippy the dinosaur!)

Vincent Van Gogh:

In Art, we have found out about Vincent Van Gogh and the wonderful flowers he painted. We have been inspired by his paintings to create our own pictures focusing on the different colours and shapes of flowers.

Phonics Workshop for Parents:

On Friday 5th May, in the afternoon, Year 1 hosted a Phonics workshop. Parents were invited in to find out more about how their child is taught phonics and how they can support them at home. The afternoon was a hive of activity when the children were all able to join their parents, taking part in fun and creative games all linked to learning phonics.

Coronation of King Charles III:

We really enjoyed joining with the rest of the school to celebrate the Coronation of King Charles III. We learnt songs and created Union Jack flags to wave as we lined the George Fentham 'Mall' in our playground! We were so proud of King Asa and Queen Tatiana who showed confidence and maturity as they took on such important roles in our school coronation.

On Friday 19th May, the children performed their class assembly to the whole school and their visitors. The children shared their knowledge and learning on the theme 'Amazing Africa' and showed the enjoyment that they got from their lessons in the Spring term.

The assembly took their audience on a learning journey showing a super dance performance and a variety of songs sang ranging from singing about the 7 continents of the world to reciting an African animal alphabet! The whole class showed great confidence when standing in front of an audience. They spoke clearly about what they had learnt and we were so proud of them. A big thank you to all those who came to watch and well done to Year 1!

Mrs Salmon & Mrs Mandell

Year 2

History - The Great Fire of London:

We didn't get the opportunity at the end of Spring 2 to burn our Tudor houses, so we were incredibly excited to finally get to do this. Seeing how narrow the streets would have been, how close together the houses were and how the wind blew the flames from house to house, helped us to better understand what it would have been like during the Great Fire of London. 'IT WAS AMAZING!'

English - Presentations:

In Year 2 this half term, the children all chose a topic that interested them and then prepared a short presentation, which they then gave to the class. Topics ranged from the Army, Football, Pokemon, Ballet, Metal Detecting, Cats, Skiing, Trains and much more!

It was clear how hard the children had prepared, with notes and scripts, props and costumes all used to make their presentations more interesting. They used clear voices, with good expression and Mr. Bass, Mrs. Mallin and Mrs. Cuff were incredibly proud of them. Well done all!

Art - Sculptures:

We have had great fun studying Henry Moore, and other famous sculptors, and then created our own wire and clay sculptures, as part of our Art this half term.

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

PE:

We are in the middle of our Tri-Golf unit at the moment and the children are loving it! They have really enjoyed learning how to hold the 'putter' and the 'chipper', showing great perseverance when trying to hit it accurately. We are now looking forward to the Tri-Golf Festival we will be competing in, later in the summer.

Mr Bass

Year 3

Year 3 have travelled back to the time before anything was written down this term.... prehistory! We thoroughly immersed ourselves in Stone Age life during our trip to Compton Verney to take part in their Stone Age settlers workshop.

We learned how the very first settlers made shelters and built walls using wattle and daub. We ground flour to make stone age bread, created our own cave paintings using natural ingredients and our absolute favourite activity, creating a spark to light a fire.

We decided that it was very hard work being a Stone Age person, and we were exhausted at the end of the day!

In Art, we have looked closely at the work of Quentin Blake and what makes his illustrations so unique. We have enjoyed imitating his work, and then innovating, by creating aliens using exaggerated features just like the artist.

Mrs Hodge

Year 4

Earlier in the term, Year 4 had a brilliant morning visiting Birmingham Central Mosque. We were able to see lots of the features and symbols that we had learnt about in R.E. during the spring term. We started our tour outside, looking for the traditional dome and minaret that many mosques have, before moving inside and learning more about the prayer room and how this is used by Muslims. There was a lot to take in but Year 4 showed their brilliant listening skills and came away having learnt many new facts.

Year 4 have enjoyed the start of our new D&T topic which is all about using levers to create moving pictures. The children loved exploring a variety of books with moving parts and investigating how they work. We then moved onto making some of the moving parts for ourselves and Mrs Gibbons was very impressed by the support the children gave to each other when they were struggling. It was like having extra teachers in class!

In PE, we have been extremely fortunate this half-term to have received training from a specialist cricket coach. Every week, we have been improving our skills in throwing, catching and batting with the aim to take part in the "Chance to Shine" cricket tournament next half-term. The children have thoroughly enjoyed their experience and are very much looking forward to representing George Fentham.

Mrs Briggs & Mrs Gibbons

Year 5

The children in Year 5 have had another busy term! As part of the Coronation celebrations, they have produced some wonderful work on King Charles III and his multicultural views for our corridor display. We were particularly proud of the children's artwork in the style of Steve Anthony and their perceptive insights into a diverse Britain today.

Year 5 have taken part in **Bikeability**, showing how mature, safe and responsible they can be when cycling on the road. Well done to all children for improving their cycling skills.

This term we have also welcomed some new additions to the class - our butterflies! We have observed them carefully as they have grown and metamorphosed from caterpillars into butterflies, making detailed sketches along the way. In our English lessons we have also started

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

studying two new books this half term: Viking Boy by Tony Bradman (which dovetails beautifully with our History topic of the Anglo Saxons) and Blackberry Blue. The children are being inspired to write using powerful vocabulary, similes and personification.

On top of this we have begun our "Chance to Shine" cricket coaching and have been learning to work together as a team and bowling and batting accurately, honing our skills in time for the Cricket Festival in the second half of the Summer term. Year 5 have also demonstrated their flare for performance in preparing for our class assembly. Congratulations to all children for creating such an engaging assembly which has reflected some of their learning journey this year. We think that Year 5 will need half term to recover ready for the last part of the summer term, as we have lots more exciting learning opportunities ahead. Well done, Year 5!

Mrs Bradburn & Mrs Kermode

Year 6

Year 6 have been very busy this half term preparing for and completing their SATs assessments in grammar and punctuation, spelling, reading and mathematics. I have been overwhelmed with the effort and care the children have put into their work so far this academic year and the dedication, perseverance and resilience they demonstrated throughout the SATs process. They calmly and maturely approached the tests. I am very proud of them.

Year 6 are now focussing on extended writing, along with learning all about their local area, Hampton in Arden. In Art, the children have already started to produce some wonderful drawings based on the work of L. S. Lowry. We hope to include examples, once they are complete, within the next Newsletter.

We can now look forward to a fantastic end of year, with our residential only a few weeks away and a packed second half-term of the summer term to enjoy.

Miss Timothy

Eco Council

Our hardworking Eco-councillors have been buzzing with activity this half term, preparing a range of exciting initiatives to celebrate World Bee Day on 20th May. Our goal is to raise awareness about the critical role bees play in our ecosystem and the importance of caring for these precious pollinators. We wanted to involve the entire school community in this endeavour. Our initiatives included:

- An Information Assembly about the fascinating world of bees.
- Bee Trail: The children at George Fentham were asked to unleash their creativity and decorate bees that will be displayed along the trail.
- Playground posters: Following the half-term break, bee posters will be available in the playground. During playtimes and lunchtimes, children will have the opportunity to identify

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

different species. Did you know that there are over 270 different species of bee just in the UK?

- **Sunflower Growing Competition:** Every child at George Fentham has been given sunflower seeds to grow and nurture. Hopefully the flowers will provide a lovely feast for our bee community and we look forward to seeing how tall the sunflowers grow.

By involving the entire school community in these initiatives, we hope to foster a sense of responsibility and appreciation for the natural world. Together, we can make a positive impact on the well-being of bees. A super half-term's work!

Mrs Briggs

School Council & PTFA

Over the past term, School Council have been producing their wish lists for their wet playtime activities. The PTFA have, very generously, given each class £200 to spend. Special thanks must go to our two Year 6 councillors, who have worked with each class to identify their choices on Amazon. The children have had to budget very carefully in order to get as close to £200 as they could. We are very much looking forward to unpacking the orders and distributing them to each class to use during wet playtimes and lunchtimes. A huge thank you to the PTFA for their support!

Mrs Bailey

Online Safety Council

We have had a productive half term, with children's ideas for how to keep safe online, from each class, being collated and organised into themes. Further to last term, where we decided to create an Online Safety quiz, we have taken it a step further and are putting together an Online Safety booklet to send home, which will contain information for both parents and children, as well as quizzes and fun activities. This will be ready during Summer 2 and we can't wait to share it with you.

Mr Bass

PE and Sports Update

GFES Football Team (Years 3 and 4, Girls):

A huge well done to our Year 3 and 4 girls football team who represented GFES at Solihull Moors on Wednesday 3rd May. Mrs Bailey, who accompanied the girls, said they showed amazing teamwork and fabulous football skills. They also learned to use "spirit scoring" of the School Games Values to help reflect on games. Great work girls, you can all be really proud of yourselves.

GFES Netball Team (Year 5, Mixed):

GFES debuted our first netball team in over eight years on Tuesday 16th May. We took a team of Year 5 Netballers to a very competitive tournament at Lode Heath to experience the competitive game in preparation for next year. It was a huge learning curve as many of the players in the tournament were from Year 6 and had county representatives, but all of our Year 5 team played with passion and determination. The improvement between our first game and our last was huge with players really linking up play and moving the ball away from the opposition quickly. We are looking to build on this experience next year.

School Clubs:

All clubs will continue after half term with the last session happening in the week beginning **Monday 10th July**. If your child wishes to join a club, please speak to Mrs Bradburn or contact the school office.

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

IMPORTANT INFORMATION: Funding:

Please be aware that school funds each of these clubs, with the exception of Learning Curves, to support parents / carers and ensure there are no financial barriers to attendance. As a result, we would like to take this opportunity to ask children and parents / carers to show commitment to their chosen clubs as places are paid for. If children do not attend, places may be reallocated. Thank you for your support in this matter.

IMPORTANT INFORMATION: Use of the school field after school:

We would like to remind you that school has priority use of the school field for clubs after school. In order to continue to safeguard our children, no other children or adults should be on the field at these times. If we are unable to secure exclusive use of the field, we may need to review whether or not we are able to run these clubs. Thank you for your support in this matter.

Sports Clubs Summer 2:

Summer 2023	Lunchtime	Afterschool
Monday		Jet Dance 3.20 -4.30pm Open access via Jet Dance
Tuesday	KS2 Sports Club By invitation only (12) Natalie Hardy- Adaptive Sports 12.40 -1.15 (Skipping)	KS2 Girls Football (32) Open access 3.20pm -4.20pm Megan Smirles & Louis Andrews- Sports Development
Wednesday	KS1 Sports Club By invitation only (12) Chloe Ebbon -Adaptive sports 12.20 - 1pm (Skipping)	KS2 Boys Football (32) Open access 3.20pm -4.20pm Simon Harrison & Ben Maxwell- Sports Development
Thursday	Reception Multisport Club Access to all (15 per half term) Natalie Hardy- Adaptive Sports 12.40 -1.15	KS2 Athletics Open access (32) 3.20pm -4.20pm Natalie Hardy & Chloe Ebbon- Adaptive Sports
Friday	POP up Tri- Golf Club By invitation only (12) Aaron Lansberry	KS1 Bat and Ball Games Open access (32) 3.20pm -4.20pm Natalie Hardy & Chloe Ebbon - Adaptive Sports

Thank You:

We would like to say a huge thank you to Mrs Bradburn who is responsible for Sport and PE across the school. It takes a huge amount of time to set up and organise all of our clubs and sporting opportunities. In addition, classes benefit from working with qualified and experience coaches within our PE curriculum which is again coordinated by Mrs Bradburn.

GEORGE FENTHAM ENDOWED SCHOOL

Wednesday	Wider Opportunities - Y4 Strings Miss Gosling
Thursday	SMS Woodwind Ms Roe
Friday	SMS Keyboard & Guitars Mr Jones

Please look out for further details of our GFES Choir which will be run by Mrs Kermode next half term.

REMINDER: Attendance

To support us to secure good attendance for all of our pupils and to address concerns regarding any child's poor school attendance and punctuality, we are continuing to work with Central School Attendance and Welfare Service Ltd (CSAWS) in 2022-23. Each half term, attendance registers are rigorously scrutinised to identify any attendance issues. This includes children falling below 95% attendance, children who are below 90% attendance and therefore at risk of becoming persistent absentees, children with any unauthorised absence and any punctuality concerns. Your child may be contacted by a CSAWS Attendance and Welfare Officer if your child's attendance and punctuality is causing concern. This could be by phone, letter or a home visit to discuss the school's concerns and how attendance and punctuality can be supported and improved. Please note, Headteachers are only allowed to grant leave of absence in **very exceptional circumstances** and where the application has been made **two weeks in advance**. This does not include family holidays. Should you require any further information, or wish to discuss a leave of absence request please contact the school office.

Medicines in School - REMINDER

Our Medicines in School Policy and Administering Medicines Policy are both on our school website, along with the permission forms for prescribed and over the counter medicines. Should your child require any medicine during the school day, please complete the relevant form and speak directly to a member of the office staff.

Medical, Dental & Optician Appointments

Following advice from CSAWS, we would like to ask for your support in organising medical, dental and optician appointments outside of the school day. Please note if there is no alternative, you will be asked to complete a Leave of Absence Form and may be asked to show a copy of your appointment letter or card to the school office.

Dietary Requirements / Food Allergies

Please note it is the responsibility of Parents/Carers to advise the school office, in writing, of any dietary requirements or food allergies for each individual child. This is not required for food

**GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER 1 SUMMER 2023**

preferences but for medical conditions such as allergies or religious beliefs. This information will be stored on the child's record throughout school.

Healthy Schools: Break time Snacks

As part of our Healthy Schools approach, we ask for your support in **only sending in pure fresh or dried fruit and vegetables for morning snack. No other snacks are permitted.** Please note fresh fruit or vegetables are provided by school for all children in Nursery, Reception, Year 1 and Year 2. Key Stage 2 children should be provided with a fruit or vegetable snack from home. Children have access to their water bottles during the day and are regularly reminded to drink. Please encourage your child to do this and **ensure that drinking bottles contain water only.** Should you wish your child to have milk at break time details are available from the school office.

No Nuts in School

We have a number of children in school who have a severe nut allergy. These allergies can be life threatening. **In order to keep all of our children safe, please ensure that you do not send any nuts or products containing nuts into school with your child, at any time.**

School Meals - Outstanding Debt

Parents of children in KS2: School meals are £2.30 per day.

Please ensure that you check your account regularly and credit your account with sufficient funds to pay for your child's school lunches. If a debt exceeds one week's school lunches a hot meal cannot be provided until the debt is cleared and the account is in credit.

Thank you for your support in this matter.

Please contact the school office if you think your child may be eligible for free school meals.

Dogs near Playground Entrance

A huge thank you to all of our parents and carers for keeping dogs away from our children coming into and leaving school. We continue to ask for your full support in keeping all dogs away from the path between school and the allotments at the start and end of the school day.

Not all of our children are comfortable around dogs and some children are particularly frightened and nervous around them. We hope everyone is able to support us in keeping this area free from dogs at all times. Thank you.

The BASE

The BASE provides before and after school care and Nursery wraparound care during term time. The BASE is not run by school, but by a completely separate Voluntary Management Committee. If you have any queries regarding this provision, please contact Mrs Tina Coley directly on 01675 443913.

And finally.....

On behalf of everyone at George Fentham Endowed School, I would like to wish you and your family an enjoyable late May Bank Holiday Half term break.

We look forward to welcoming the children back to school on **Monday 5th June 2023.**

**Mrs J Gaughan
Headteacher**
