

## HERE IS THE KING

Here is the King, here is the King,  
Bow to the King,  
Here is the King, here is the King,  
Bow to the King,  
He is a great and wonderful King,  
His crown is shiny and new,  
But if you forget to bow - he will shout at you!

But if you forget to bow - he will shout at you!

Off you go, don't be all night!"

## FAR AWAY IN BETHLEHEM

Far away in Bethlehem, you will find a King,  
He's the ruler of Heaven and Earth, Lord of everything.  
You must go to Bethlehem, go without delay,  
Kneel before the almighty King, you must go today!

When the cock begins to crow, get out of your bed,  
Don't roll over and close your eyes, don't be a sleepy head.  
You must go to Bethlehem, go without delay,  
Kneel before the almighty King, you must go today.

Far away in Bethlehem, you will find a King,  
He's the ruler of Heaven and Earth, Lord of everything.  
You must go to Bethlehem, go without delay,  
Kneel before the almighty King, you must go today!

## BIG YELLOW MOON (Nursery lead)

A big yellow moon hung in the sky,  
I'm sure I saw him wink his eye,  
His big yellow face, jolly and round,  
Then I saw him wink at me on the ground.

A big yellow moon hung in the sky,  
I'm sure I saw him give me a smile,  
His big yellow face, jolly and round,  
Then I saw him smile at me on the ground.

A big yellow moon hung in the sky,  
I'm sure I heard him say goodnight,  
His big yellow face, jolly and round,  
Then he said goodnight to me on the ground.

## BUSY, BUSY, BUSY (Reception Lead)

Busy, busy, busy, rushing round the square,  
Busy, busy, busy, people everywhere,  
Busy, busy, busy, dashing through the street,  
Busy, busy, busy, what a lot of busy feet!

Where is the King? Where is the King?  
Where is the King we are seeking?  
Where is the King? Where is the King?  
We'd like to find the King.

*(Repeat song)*

## HOW CAN A TINY BABY?

How can a tiny baby be a splendid King?  
How can a tiny baby be Lord of everything?  
Cause he's the son of God on high,  
King of heaven, earth and sky,  
He's here to love you now.

*(Repeat song)*

Don't pass on by
