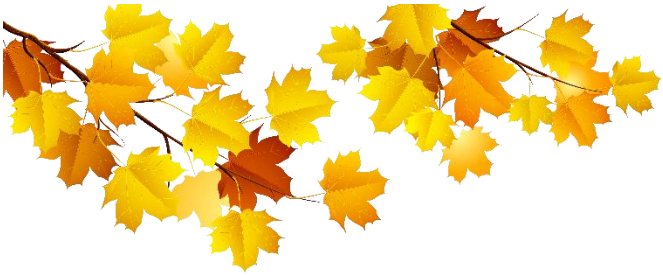
GEORGE FENTHAM ENDOWED SCHOOL
NEWSLETTER AUTUMN 1 2024



October 2024

Term Dates

SCHOOL TERMS & HOLIDAY DATES	2024/2025
Autumn Term 2024/25	Monday 2nd September 2024 – Friday 20th December 2024
Half Term	Monday 28th October 2024 – Friday 1st November 2024
Spring Term 2024/25	Monday 6th January 2025 – Friday 11th April 2025
Half Term	Monday 17th February 2025 – Friday 21st February 2025
Summer Term 2024/25	Monday 28th April 2025 – Monday 21st July 2025
Half Term	Monday 26th May 2025 –Friday 30th May 2025
5 INSET DAYS 2024/25	Inset Day 1: Monday 2nd September 2024 Inset Day 2: Friday 25th October 2024 Inset Day 3: Monday 24th February 2025 Inset Day 4: Friday 23rd May 2025 Inset Day 5: Monday 21st July 2025

Dates for Diary 2024/25

Thursday 31st October 2024	Closing date for Secondary School applications
Thursday 7th November 2024	PTFA Bonfire Bingo Event (5.30pm-6.45pm)
Friday 8th November 2024	Reception Open Morning (Booking required)
Friday 8th November 2024	Nursery Open Afternoon 1.15pm-2.15 pm
Tuesday 26th November 2024	Yr 6 visit to Coventry Cathedral
Monday 2nd December 2024	Closing date for Nursery Applications 2025
Thursday 5th December 2024	Christmas Lunch, Christmas Jumpers & Christmas Hats
Tuesday 10th December 2024	EYFS & KS1 Christmas Performance (1) 9:30am
Wednesday 11th December 2024	EYFS & KS1 Christmas Performance (2) 9:30am
Thursday 12th December 2024	Yr 6 visit to Birmingham Hippodrome, The Nutcracker
Tuesday 17th December 2024	KS2 Christmas Concert in Church (1) 6:00pm
Wednesday 18th December 2024	KS2 Christmas Concert in Church (2) 2:00pm
Monday 15th January 2025	Closing date for Reception Applications 2025
Tuesday 4th February 2025	National Childhood Measurement Programme (Reception and Year 6)

Nursery/ Reception Open Day

Parents of children applying for Reception places at our school for September 2025 are invited to attend the Reception Open Morning on Friday 8th November 2024 at one of two planned sessions which are 9.15am - 9.45am or 10.00am - 10.30am. Booking is required, for Reception bookings, please call the school office on 01675 442800 to reserve your place.
Parents of children applying for Nursery places are invited to attend on Friday 8th November at 1.15pm-2.15pm, no booking is required for the Nursery session, please just turn up.

Important- Admissions Dates - Reminders

- Application closing date for Secondary Schools for current Year 6 children is 31st October 2024. Offer day is 3rd March 2025. Applications are dealt with by Solihull Admissions.

- Application closing date for children to start Reception in September 2025 is 15th January 2025. Offer day is 16th April 2025. Applications are dealt with by Solihull Admissions.

- Application closing date for children starting Nursery at George Fentham Endowed School in September 2025 is 2nd December 2024. Offer day is 31st January 2025. Applications are dealt with by George Fentham Endowed School, please see the admissions pages on our school website.

IMPORTANT - Medicines in school

Our Medicines in School Policy and Administering Medicines Policy are both on our school website, along with the permission forms for prescribed and over the counter medicines.
Should your child require any medication during the school day, please complete the relevant form and bring this, with the medicine, directly to the school office. Medicines must not be sent in with children. It is really important that your child's medicine has the prescription label on it and that your instructions exactly match the dosage prescribed.

School Attendance

At George Fentham Endowed School we are committed to ensuring all children achieve the highest levels of attendance possible and continue to ask for your support in this matter. If there are any factors impacting on your child's attendance, please let us know at the earliest opportunity. We will work in partnership with you and offer all support possible in order to increase attendance.

Parent Pay

All parents of children who started school in September 2024 will now have received an activation letter for Parent Pay. Please can you ensure you have followed the steps to activate your account. Parent Pay is really important to us in school as it is one of the ways we communicate with you either on a whole school basis, class basis or individual basis. We may for example, ask for consent for trips or activities here, inform you of upcoming events, or enable you to pay for school lunches. In order to consent or reply you must log into your account and from here the home page clearly directs you to what is being requested. Please can you ensure all of your contact details are up to-date including email addresses. If you have any amendments, please send them in to the school office. If you have any queries or questions regarding Parent Pay, please speak to Miss Smith or Miss McCormack in the school office.

School Lunches

All children in Reception, Year 1 and Year 2 are entitled to universal free school meals but you must still register. If you have not yet done this please do so as soon as possible, further details are available from the school office.
If you think your child, from Year 3 onwards, may be entitled to free school meals, please let us know. We can offer any help or support needed regarding this process.
Please can all parents ensure that they keep their child's Parent Pay account in credit and their child's Parent Pay account is cleared at the end of each term. Thank you for your help in this matter.

Please note, the cost of a school lunch is £2.90 per day.

Class Events

Nursery:
It has been wonderful to welcome the new Nursery children into our school. We are so proud of how well they have all settled into their new class. Our learning theme has been 'Marvellous Me' and we have been busy getting to know all about each other. The children have created some lovely artwork by printing patterns and drawing themselves, these are displayed in our corridor.

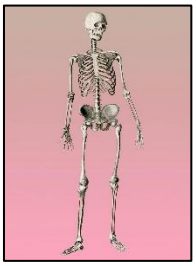
We have also used the story 'The Colour Monster' to support our learning about feelings and emotions. We created our own collage colour monsters.

Next half-term our learning theme will be 'Celebrations', we will be learning about different types of celebrations and about how people celebrate in different ways.
As always, thank you for your continued support.

Mrs Bromhall & Mrs Porter

Reception:
This half term we have welcomed our new class of children into Reception. We have focussed on the children settling well into new routines, developing independence and ensuring they are happy and ready to learn. Our theme 'Marvellous Me' really inspired us all to get to know each other. After sharing the 'Chatterboxes' that the children put together over the summer, we have talked

about ourselves, our family, our favourite toy and delved a bit deeper into our body and found out about our skeleton. We have even had a skeleton called Stan in our classroom!
We have observed the changes in the weather and the seasons too. We have collected Autumn treasures to use in the classroom and explored vegetables such as pumpkins, squash, leeks and suede.
It has been such a long half term the children definitely deserve a week off!
Happy Half Term Everyone!



Mrs Brown and Mrs Flint

Year 1:
What a wonderful start to the year we have had here in Year 1! We are so proud of how well the children have settled into the new routines of Year 1 and are looking forward to the year ahead.
In our English lessons, we have been busy learning about 'Percy the Park Keeper'. We have been sharing Nick Butterworth's famous stories together as a class. The children have really enjoyed completing a range of reading and writing activities based on the stories they have heard. Year 1 have loved using our new 'Percy the Park Keeper' role play area to bring the stories to life.

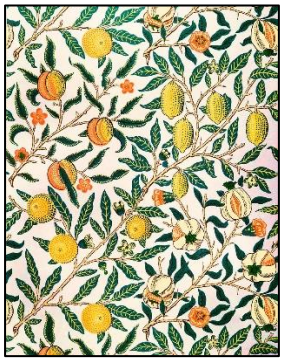
The children have been using their 'BLP Building Learning Power' skills to make links in their learning, especially with Science and Art. We have been observing seasonal changes in our Science lessons and the children have loved collecting Autumn items for the classrooms, such as conkers, leaves and acorns. We have then used these resources in our Art lessons, where we have been studying the artist Andy Goldsworthy. The children have been making Art sculptures both at home and in school based on Andy Goldsworthy's work. It has been a pleasure to see their beautiful autumnal artwork.

Created by Reya

Mrs Salmon and Mrs Barratt

Year 2:

We've had a lovely start to Year 2 and the children have been completely absorbed in their learning! We've had lots of fun and laughter, but they are showing clear signs of progress as well! We've been finding out about Symbolism in RE, all about William Morris in Art, Exploring Materials in Science and have been learning about the lives of Queen Elizabeth I and Queen Victoria in History. The children are also loving being able to sit on the beanbags to read every morning, in our Reading Corner, and acting out a range of Traditional tales in English.

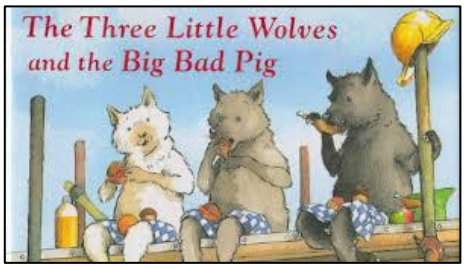


Mr Bass

Year 3:

Year 3 have had a fantastic start to the year, they have settled in very quickly and have risen to the new challenges of Key Stage 2. This term we are really focused on the BLP skills of making links, distilling and noticing.

In writing, we have loved learning about different fractured fairy tales and writing some of our own. They helped us understand all about conjunctions, time adverbials and inverted commas. One of our favourites was 'The Three Little Wolves and the Big Bad Pig'.



In our history lessons we have started our learning all about Ancient Egypt and have thoroughly enjoyed learning how to examine artefacts from the British Museum website and understand what they can tell us about life in Ancient Egypt. We have been fascinated by so many topics such as mummification, the tomb of Tutankhamun and learning to write in hieroglyphics. Soon we will be having a visit from a famous historian - Mr Egypt himself!

This year for the first time we are learning a modern foreign language, which *bien sur* is French. This term our focus is on greetings, days of the week and numbers.
Finally, we have made a splash in the swimming pool each Monday, perfecting our strokes and increasing our stamina at North Solihull Leisure Centre. The swimming instructors regularly comment on the amazing behaviour of our Year 3 children so well done everybody, you are making us very proud!

Mrs Jones and Mrs Chamberlain

Year 4:
The children have settled in superbly into their new class and have quickly adapted to the new routines and expectations that are required in Year 4. They are already showing what super learners they are and have fully thrown themselves into their work, utilising lots of their BLP skills.
In English, we have been studying the book 'Bottersnikes and Gumbles', written by S.A.Wakefield. The children have enjoyed following the adventures of the characters in the book and have already produced lots of fabulous writing, trying where they can to use the grammar that they have been taught so far.
Our History unit on the Romans has also proved to be a huge hit with the children. We have found out lots of interesting facts about the rise and fall of the Roman Empire and the children learnt what life was like for a soldier fighting for the Roman Army. Our interest in the Roman Empire has also linked beautifully to our Art lessons where we have been looking at and designing Roman mosaics.
One of our main highlights this half term has been our music lessons where we have started to learn the ukulele, through the Wider Opportunities initiative delivered by Solihull Music Service. We are all looking forward to developing our musical skills further and hope to be able to showcase everything that we learn later this year.

Mrs Briggs and Mrs Griffiths

Year 5:
It has been a busy but fabulous first term in Year 5! We have enjoyed writing about Narnia using our powerful adjectives. *"Stumbling out of the wardrobe into the cold, shimmering world of ice and snow"* has never felt so imaginative and real. We have also been using 'Who Let the Gods Out' by Maz Evans to hone our reporting skills, summarising the 5Ws (what, when, who, where, why) and interviewing characters.
Over the last few weeks, the children have proved themselves to be keen and able scientists, whilst investigating Forces. We have been launching parachutes, testing friction and exploring

how different shaped objects experience water resistance; using our brilliant noticing skills to make detailed observations and carefully record measurements. Well done!
Finally, in art, we had the opportunity to create some magnificent Greek Masks. What a great start to the year!

Mrs Bradburn and Mrs Kermode

Year 6:
Year 6 have made a wonderful start to the new school year! They have displayed great resilience moving into Year 6 and have amazed me with their enthusiasm to learn new facts and skills. Back in September, we launched our History topic, WW1. Through research, first- hand accounts and reading the text – 'War Games', the children have discovered what is was like to live during WW1 and how Hampton in Arden supported the War effort. They have further produced the most wonderful poetry based on WWI trenches, along with the most amazing symbolic collages representing the positives and negatives of war.
Year 6 have taken on a lot of responsibilities, reading with the younger children, running games on the playground for the younger children and even as monitors at break and lunch times. The children are taking their roles very seriously and are being wonderful role models.
The Harvest Tea also took place this week where the children baked cakes, set up a tea party and hosted the event for their grandparents. We all had a wonderful time. I am very proud of the children – they were such wonderful hosts.

Miss Timothy

School Sports – Mrs Bradburn

School Sports Clubs
Our school sports clubs are well under way and it has been wonderful to see so many of our pupils engaged in sporting activities. Our clubs run for 10 week blocks so our current clubs will continue for 4 weeks after half term. The last sessions will be the week beginning Monday 25th November. Please note this does NOT include Cross Country which will finish at half term due to weather restrictions. After half term this will be replaced with a year 3 & 4 speed stacking club ready for

a new competition opportunity. As this is a lunch time club the children will be able to sign up for this in school.
We currently have a few spaces left in our clubs so if you are interested in joining, please collect a form from the school Office.
At George Fentham, we are proud to invest a significant amount of money from our school budget to fund the Tuesday to Friday clubs so that all children have equal access to these sporting opportunities. In return, we expect a high level of commitment to the club and have high expectations for pupils' behaviour during the sessions.

Cross Country

Huge congratulations to Hermione, Bea, Chloe- Belle, Auri, Lana, Polly & Cassidy who took part in the girls' cross country race on the 3rd October 2024. They were amazing! They competed against hundreds of other children from eight different schools over a 1km muddy course. I was so proud of every single one of them as they gave it their all and we were so pleased that we came 4th out of all the schools.
Unfortunately, due to bad weather the boys race was postponed twice and we were unable to make the re-scheduled race. Don't worry boys - keep running and training for Borough Athletics in the summer.

Music – Mrs Kermode

We have had a busy musical half term since September! Children are continuing to sing well in assemblies, have learnt about different composers and musicians (such as Hildegard of Bingen and David Bowie) and learnt and performed the Harvest hymns beautifully for our special Harvest Assembly.
EYFS and KS1 have been enjoying their Charanga music lessons learning all about Marvellous Me, Hip Hop and Afropop. When asked about their music lessons, the children are always very enthusiastic - they have enjoyed singing and moving in time to the beat of the music.
Year 3 started their series of workshops in preparation for their participation in Solihull Sings at Solihull School in May 2025. Miss Sainsbury from Solihull Prep School came to teach the children a number of different songs and all teachers present were so pleased with the beautiful way in which the children responded and listened to instructions. As a result, their singing stamina greatly improved within the session and they also managed to learn a few different songs confidently, including one about Vikings and a lovely song about how music can bring us all together. Miss Sainsbury said that she was so impressed by the behaviour and engagement of the class. Well done!
Year 4 have started their ukelele sessions as part of the Whole School Ensemble Teaching scheme, Wider Opportunities, taught by Solihull Music Service. This half term has been focussed on learning the different parts of the ukelele, how to hold the instrument and how to strum the open strings. The children have also learnt about the different 1 and 2 beat note values. Congratulations Year 4 on a successful half term so far - your teachers have been very impressed with your focus during lessons. Keep it up!

Year 5 are about to learn the music for Young Voices at Resorts World Arena in February 2025. There is a wide range of musical material and a lot to learn, so keep practising over the next half term, Year 5. Thank you to all parents and carers who have helped with signing up their children so swiftly to the Music Room so that they can learn the songs at home too. If you haven't been able to do this yet, please find the link in a Parent Pay message on the 2nd October, 2024.

Junior Choir has begun well and the children are really starting to gel together as a group and are making a super sound! We have learnt a number of African songs such as *A Keelie* and *Jambo Bwana* (*Hakunan Matata*) and a beautiful song called *Believe* by a wonderful contemporary composer called Lin Marsh. We were fortunate to have Peter Davis in from the Armonico Consort team come into school and do a brilliant workshop with the children, working on their posture, breathing and sound projection. **Junior Choir will continue after half term on a Thursday after school (3:30pm-4:15pm)** so please do let Mrs Kermode know if you would like your child to participate.

We were treated to a fabulous **Guitar assembly** by our Guitar teacher, Dan Tyler. He performed a number of pieces, explained all about the guitar and encouraged a willing volunteer to come and have a go!

Finally, **instrumental lessons** have been back up and running again. Please encourage your children to sign up to perform in assembly after half term (whether they have lessons in school or not) so that we can continue to enjoy their progress!

We would love to encourage even more children to take up an instrument, so **if you are a budding musician and would like to learn an instrument, please sign up using the Solihull Music information which came home via Parent Pay.** If you would like to discuss financial support or instrumental hire, please do not hesitate to contact Mrs Kermode or the School Office to find out more. Solihull Music can be contacted on: solihullmusic@solihull.gov.uk or 0121 704.

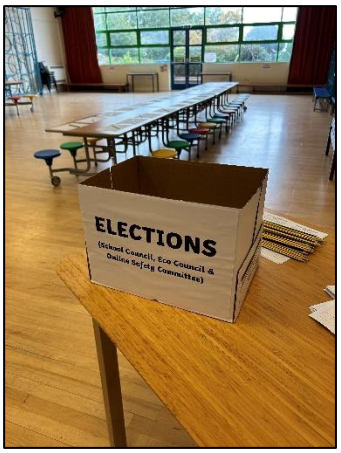
Stranger Danger

Throughout our day to day work in school, we provide lots of opportunities for children to develop their knowledge and skills in order to keep themselves safe and to make safe choices. This week we have talked to all children, age appropriately, about 'Stranger Danger'.

Key messages such as **'YELL, RUN, TELL'** were shared as well as what to do if you are ever lost. We have talked about 'safe strangers' that can help us e.g. police officers, teachers and people who wear a uniform and 'safe spaces' to go to, to ask for help e.g. police station, school, supermarkets and leisure centres. We have also encouraged all children to learn a mobile phone number of a parent or carer just in case they need to contact someone in an emergency.

Elections

As part of supporting our children to better understand 'British Values', they are given the opportunity to vote in our School Elections. These took place a few weeks ago and all children were able to be part of the process of electing representatives for our **School Council**, **Online Safety Committee** and **Eco Council**. By being part of this process it allows them to begin to understand 'democracy' and 'the rule of law', as well as seeing our British Values in action. All 3 groups have had their first meetings, to establish what they will focus on this year, and more information will come out over the next few weeks. We look forward to our children raising the profile of their respective areas around school and beyond.



Eco-Council – Mrs Briggs

We have already had our first Eco-Council meeting and have started to work out our priorities for the year ahead, starting with celebrating 'World Food Day' where we have planned to deliver our first eco assembly. We have lots of fantastic ideas which we think the rest of our peers will enjoy and we are all looking forward to continuing to promote an eco-awareness within school and beyond.

A big thank you must be extended to last year's Eco-Councillors. Our award application for the Greener Solihull Schools Award was submitted just before the summer holidays. Although we have heard that we will receive an award for our work, we have not officially been told what level award we have achieved. That being said, we are hoping that all of our initiatives will lead to a level 3 award, which is the top award that can be given. Some of the children from last year's Eco-Council have been invited to the award ceremony, taking place at the Civic Suite in Solihull in November. This is a very prestigious event where we will get to meet the Mayor of Solihull. A super reward for all of the hard work last year.

School Council – Mrs Bailey

Last week, George Fentham's School Council met for the first time. The children were all very enthusiastic and eager to represent pupil voice from their own classes.
We started off by looking at what qualities a good school councillor would have and the children impressed me with their thoughtful answers.
We then put together our constitution, which essentially is a list of rules that we will all abide by when we have our meetings.
Finally, the children were given their badges which they wore proudly on their uniforms.

We are all looking forward to making a positive difference around school this year.

E-Safety – Mr Bass

Huge congratulations to our newly elected Online Safety reps. We held our first committee meeting with all the new reps and explored what the role was, discussed what we thought we needed to do to continue to raise the profile of Online Safety and decided on what our first task would be. All reps received their bright, shiny badges and should wear them with pride. You will see that our first task as a committee is launching our 'Online Safety Poster' competition - see the separate email about this - and we look forward to sharing more as the year goes on.

Year 6 Roles and Responsibilities – Playtime and Lunchtime Monitors

This year we are increasing the opportunities for our Year 6 children to take on additional responsibility and act as excellent role models for younger children throughout the school.
We have just finished our first round of 'recruitment' for playtime and lunchtime monitors. The children completed a detailed application form and then attended an interview with Mrs Gaughan. After successfully completing their training session ten of our Year 6 children have now been appointed as playtime and lunchtime monitors. This process has really helped the children to developed their understanding of the different stages of recruitment and gain some experience in the process.

There will be further opportunities next term when we will be 'recruiting' our new librarians to help manage our school library.

Black History Month

During October we have been celebrating Black History Month. The children have learnt about significant figures, of black heritage and culture, who have made a real difference. Each class studied one person in detail and shared their fabulous learning in a very special Celebration Assembly.
Year 1 - Simone Biles, Year 2 - James Earl Jones, Year 3 - Benjamin Zephaniah, Year 4 - Katherine Johnson, Year 5 - Errollyn Wallen, Year 6 - Rosa Parks.

Harvest Festival

The Harvest Festival Celebrations were held in school on Friday 11th October and the children were invited to bring in items to be donated to the local foodbank. This was really well supported and we displayed all the many items in the assembly and after this they were sent to "Community Essentials" in Olton who very gratefully received our donation.

Please see below, the "Thank you" note sent to the school from the foodbank:

Dear George Fentham Endowed School,

On behalf of everyone here at Community Essentials, I want to extend our heartfelt thanks for your recent food collection. Your kindness and generosity have had a direct impact on many families who rely on our services, and we are truly grateful for your efforts.

It is wonderful to see the entire George Fentham Endowed School community – from the children and parents to the dedicated staff – come together to support such a vital cause. The food you have collected will go a long way in helping those who are facing challenging times, and it reminds us all of the power of coming together to make a difference.

Thank you once again for your invaluable support. Your contributions are making a real difference, and we deeply appreciate it.

Warm regards,

Community Essentials - Food Bank & Pet Food Bank
community-essentials.org.uk

MacMillan Coffee Mornin

On Friday 27th September we held a coffee morning to raise funds for Macmillan Cancer Support where parents were invited into school between 9.30 and 10.30am for a piece of cake and a tea or coffee in return for a donation to the charity. The left over cakes were then taken round to the classrooms for the children to buy and take home. We are delighted to say that this event raised £227.41 for Macmillan Cancer support.

Parent Consultations

Thank you to all parents and carers who joined us for our Parent Consultation evenings this week. These are really important and useful opportunities for you to speak with your child's teacher and look at your child's learning journey for this half term. We received lots of lovely comments and feedback throughout the evenings.
Please take time to look at the Building Learning Power (BLP) parent leaflet which was given out during these consultations. The leaflet explains what BLP is and why it is so important in supporting children to become life-long successful learners.

Holidays in School Time

Headteachers are only allowed to grant leave of absence in **very exceptional circumstances** and where the application has been made **two weeks in advance**. This does not include family holidays, therefore, we ask that you do not book holidays in school time as these will be unauthorised and could lead to a referral to the Local Authority Enforcement Team for a fixed penalty fine or prosecution.
Should you require any further information, or wish to discuss a leave of absence request please contact the school office.

Medical, Dental & Optician Appointments

Following advice from CSAWS, we would like to ask for your support in organising medical, dental and optician appointments outside of the school day. Please note if there is no alternative, you may be asked to show a copy of your appointment letter or card to the school office and complete a leave of absence request.

Dietary Requirements / Food Allergies

Please note it is the responsibility of Parents/Carers to advise the school office, in writing, of any dietary requirements or food allergies for each individual child. This is not required for food preferences but for medical conditions such as allergies or religious beliefs. This information will be stored on your child's record throughout school.

Healthy Schools: Break time Snacks and Water Bottles

Snacks
As part of our Healthy Schools approach, we ask for your support in **only sending in pure fresh or dried fruit and vegetables for morning snack. No other snacks are permitted.** Please note

fresh fruit or vegetables are provided by school for all children in Nursery, Reception, Year 1 and Year 2. Key Stage 2 children should be provided with a fruit or vegetable snack from home.

Water Bottles

Children have access to their water bottles during the day and are regularly reminded to drink. Please encourage your child to do this and **ensure that drinking bottles contain water only**. Should you wish your child to have milk at break time details are available from the school office.

No Nuts in School

We have a number of children in school who have a severe nut allergy. These allergies can be life threatening. **In order to keep all of our children safe, please ensure that you do not send any nuts or products containing nuts into school with your child, at any time.**

REMINDER: Car Parking and Voluntary One-Way System

Just to remind you, there is a voluntary one-way system at school drop off and collection times which is to enter at the bottom of Fentham Road by the war memorial and to leave the top end of Fentham Road along Marsh Lane. Thank you for your support in this matter.

REMINDER: Collecting your child at the end of the day

At the end of the school day we are dismissing approximately 200 children onto the small playground. With limited space and well over 150 adults collecting, we would like to ask for your help to ensure everyone's safety. Once your child has been released to you by their class teacher, please keep your child with you and do not let them run around on the playground. It is very difficult, from a staff point of view, to check every child is with the correct adult if children are running between parents. In addition, there are more opportunities for children to bump or knock into each other as classes are being dismissed. Thank you for your support in this matter.

The BASE

The BASE provides before and after school care and Nursery wrap around care during term time. The BASE is not run by school, but by a completely separate Voluntary Management Committee. If you have any queries regarding this provision, please contact Mrs Tina Coley directly on 01675 443913.

And Finally….

We would like to take this opportunity to thank **The Fentham Trust** for the on-going financial support provided to our school. This makes a huge difference and enables us to fund additional resources, services and opportunities for our children. A great example is the ukelele Wider Opportunities music in Year 4, which we would not be able to provide without this funding.
In addition we would like to say a huge thank you to our **PTFA** who raised £400 for school as a result of our school Discos. It was lovely to see our children dancing with their friends and really enjoying themselves.
Following a fantastic donation from the PTFA we have been able to purchase sets of ipads, covers and charging docking stations for two of our classes. These resources are invaluable in supporting teaching and learning. We look forward to raising more money to provide other classes with their very own ipads. With this in mind, our PTFA Bonfire Bingo is on Thursday 7th November, which will be great fun for all the family and another excellent fundraising event.
A huge thank you to all of our PTFA volunteers and staff working both behind the scenes and on the day to make these events so successful. Should you require any further information please contact a member of the PTFA or our school office.

I would like to finish our Newsletter by thanking our children, staff and Governors for all of their hard work this half term. We have had a super time and really look forward to welcoming the children back on Monday 4th November.

Mrs J Gaughan
Headteacher
